Music Farm and Picnic Outing

Every year Tsing Yi Primary goes on a picnic outing in October. The picnic outing is for teachers and students to get out and enjoy the countryside. This year the whole school went to the Music Farm. We arrived at 9:30am to find a welcoming staff that had prepared fun games, crafts, and new sports for students to try. In the morning students made their own scarecrows, made designs out of colourful rocks, and made beautiful sand bottles. There were many outdoor games to play including: a scavenger hunt, a life size jenga game, wheel-barrel race, and archery.

In the afternoon the students, teachers, and staff enjoyed a picnic lunch together at the farm. After the picnic students had time to play a few more games before saying goodbye to the Music Farm and heading back to school.
