## Rules and Regulations Concerning the Provision of Scholarship Scheme and Fee remission Scheme

In order to allow children in financial need to receive quality education, the school provides financial assistance to eligible families.

### School Fee Remission Scheme

- The Fee Remission is provided in two levels, full tuition fee remission and half tuition fee remission.
- The total amount of remission for each year is at least 10% of the school fees receivable.
- The school adopts the “Adjusted Family Income” (AFI) mechanism, currently used by the Student Financial Assistance Agency, HKSAR, as a means test to assess the eligibility of the applicant’s family for the fee remission.

The school also establishes scholarship to appreciate students’ outstanding academic achievement.

### Scholarship

The school scholarship is awarded to the top 3 students in overall academic performance of each school year. From 2025-26 School Year onwards, 100% of annual school fee will be awarded to the first of the level, 70% to the second, and 50% to the third. The scholarship will be granted through a proportionate amount of school fee deduction in each instalment of the next academic year during the period that the student studies in our school, which parents need not to apply for. The scholarship is non-transferrable for cash.

For families already receiving Comprehensive Social Security Assistance (CSSA) or a full or half grant from the Student Financial Assistance Scheme that are eligible for full or half school fee remission, book coupons will be presented as the scholarship.
